Holy Cross Parish celebrated its first Mass on Sunday, July 3, 1960 in a small church building donated by Mrs. Yvonne Famel. The Church takes its name from a relic of the True Cross which was also donated by Mrs. Famel. In 1966 a new Church building was constructed and the parish moved to its current location on 150th Street. Holy Cross celebrated its 50th anniversary on September 19, 2010 at the dedication and blessing of our new church building.

La Parroquia de la Santa Cruz celebró la primera misa el 3 de Julio de 1960 en un templo pequeño donado por la Sra. Yvonne Famel. La parroquia asume su nombre de una reliquia de la cruz donada por la misma persona. En 1966 se construyó un templo nuevo en la calle 150, al que se transladó la parroquia, dicho templo ahora funciona como centro pastoral. En 2010 se terminó de construir el actual templo, y el 19 de septiembre se hizo la dedicación en ocasión de la celebración del 50º aniversario de la parroquia de la Santa Cruz, ceremonia presidida por el Obispo Geral M. Barbarito; siendo pastor el Rev. Nestor Rodríguez.

Prayer Intentions for July 2016

General/Universal Intention:

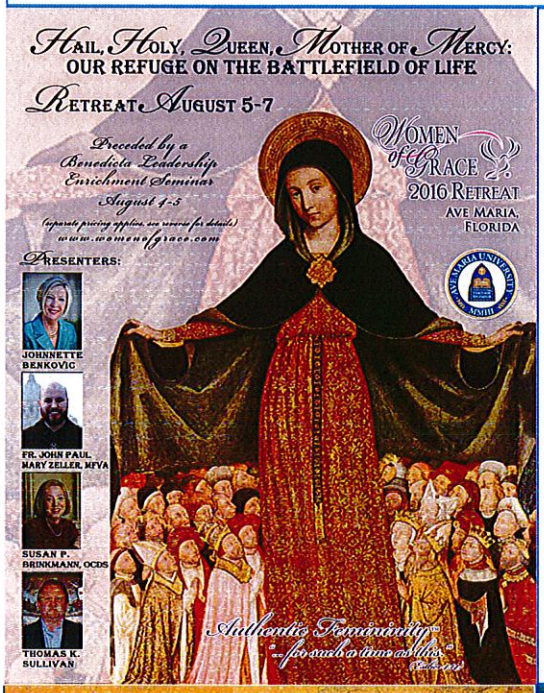
That indigenous peoples, whose identity and very existence are threatened, will be shown due respect.

Missionary/Evangelization Intentions:

That the Church in Latin America and the Caribbean, by means of her mission to the continent, may announce the Gospel with renewed vigor and enthusiasm.

Sixteenth Sunday in Ordinary Time.

Some Sundays during this Jubilee Year of Mercy, something from the scriptures just leaps out as most appropriate. The end of today's Gospel presents one such instance. At the end of the Good Samaritan story, the answer to the question about who was neighbor to the robbers' victim is "The one who treated him with mercy." As we continue our prayer together today, let us ask for God's grace to help us to be merciful to all our neighbors.



Summer Safety Tips for Kids & Families

Family outings to parks may be wonderful opportunities for family members to bond and spend quality time together. How can you keep your kids safe? With everything parents have to juggle these days, the time may come when families have to leave a child home alone. There are a number of important things to consider before allowing your child to stay home without you.

You should...

- Assess your child. Make sure he or she is mature enough to handle this responsibility. Ask your child how he or she feels about being alone.
- Define rules and expectations to help ensure your child maintains a daily routine while home alone.
- Keep a list of numbers close to the telephone including those for you, other trusted adults, 911 and other emergency services.
- Create practice situations and be sure your child understands what to do in specific emergencies such as a fire or loss of electricity.

Make sure your child knows...

- His or her full name, address and telephone number along with your full name and how to reach you.
- He or she should never open the door for someone unless that person is on a preapproved list of trusted adults you have provided.

Also make sure your child knows how to...

- Contact 911 in case of an emergency.
- Carry his or her key so it is hidden and secure.
- Lock the door after entering and make sure the home is secure.
- Tell callers you're unavailable instead of saying he or she is home alone.
- Check with you immediately upon returning home to let you know he or she has safely arrived.
